## Contact

**Address:** New Delhi, India

**Phone:** +91 9999458936

**Email:** aamirkhurshidofficial@gmail.com

**GitHub:** github.com/Aamir-Khurshid

**LinkedIn:** Aamir Khurshid

## Skill Set

### Programing Languages

- Java
- Python

### Web Development

- HTML
- CSS
- JAVASCRIPT

### Database

- MySQL

## Interests

- Web Development
- DSA

## Objective

I am currently looking for a challenging role in a reputable organization to utilize my technical, database, and management skills for the growth of the organization as well as to enhance my knowledge about new and emerging trends in the IT sector.

## Education

Oct 2020 - present

ABES Institute of Technology, Ghaziabad, U.P., India

- SGPA: 7.88(Till 6 Sem)

2019 - 2020

Kendriya Vidyalaya, Delhi, India

- Intermediate: 72%

2017 - 2018

Kendriya Vidyalaya, Delhi, India

- Matriculation: 85.6%

## Projects

- **Spotify Clone**

The project is created using HTML, CSS and JavaScript.

It is a functioning clone of Spotify with some adjustments made to make the website better.

- **Weather Website**

The project is created using HTML, CSS, RapidAPI and JS.

It is a website in which the user has to enter the place name and he can get the weather report of that place

This letter is to accompany my application for the Front-end developer position. I am confident in my skills. I like to learn and adapt to the environment. I find myself confident in HTML, CSS, JAVASCRIPT, PYTHON AND MYSQL. I have worked on projects like Weather Website and also created several clones like Spotify, Netflix. I believe that my expertise would make a valuable contribution to the company.

Thank you for taking time to review my resume. I look forward to a favorable outcome.

Sincerely,

Aamir Khurshid
